

# BEECHWOOD PRIMARY SCHOOL - LONG TERM PLAN RELIGIOUS EDUCATION

## Overview for Religious Education

At Beechwood Primary School, we follow the Cheshire East Agreed Syllabus for Religious Education which aims to be fully inclusive, exploring the beliefs, ethics, philosophy, and lifestyles that Religious Education encompasses.

Religious Education contributes dynamically to children and young people's education in schools by provoking challenging questions about meaning and purpose of life, beliefs about God, ultimate reality, issues of life and death and issues of right and wrong and what it means to be human. In Religious Education children learn about and from religions and worldviews in local, national, and global contexts, to discover, explore and consider different answers to these important questions. They learn to weigh up the value of wisdom from different sources, to develop and express their own insights in response, and to agree or disagree respectfully.
