

Essential Letters and Sounds

Dear Parents and Carers,

Following an update from the Department for Education around phonics teaching we have moved to Essential Letters and Sounds, this is a phonics programme based on Letters and Sounds (2007). This new phonics programme will support your children in making quick progress to become fluent and confident readers.

To best support us in teaching your child to read, we ask that you read the decodable text provided by the school **four times** across the week. Spending 10 minutes a day reading with your child will hugely support them on their journey to becoming an independent reader.

We will be changing children's books once a weekly basis. This will allow your child to re-read each text several times, building their confidence and fluency. This is especially important as they begin to learn that the sounds within our language can be spelled in different ways.

For children, re-reading words and sentences that they can decode (sound out) until they are fluent (read with ease and precision) is a key part of learning to read. By reading texts several times, children have the greatest opportunity to achieve this fluency.

The texts sent home are carefully matched to the teaching taking place in school. Your child will be practising what they have been taught in school with you at home. We will only ask children to read books independently when they can decode these by themselves.

Your child will also be given a login for Oxford Owl. Here, children will be able to access reading books allocated to them by their teacher. Please use the link below to login.
